- 1.9. The Schedules form part of this Agreement and shall have effect as if set out in full in the body of this Agreement. Any reference to this Agreement includes the Schedules.
- 1.10. References to Clauses and Schedules are to the Clauses and Schedules of this Agreement.

## **2. The Service Agreement**

- 2.1. The terms of the Master Agreement shall apply in relation to the supply of the Services and the terms of this Agreement shall apply between the parties as if the Master Agreement were incorporated into this Agreement.
- 2.2. Notwithstanding Clause 3.1 the Master Agreement shall remain fully effective and unamended, in relation to the supply of any goods and or services other than the Service.

## **3. Duration of Services**

- 3.1. For the duration of this Agreement Inspira Technology Group agrees to:
  - 3.1.1. provide the Client with the Services on the terms of this Agreement;
  - 3.1.2. exercise the reasonable skill and care of a competent communications provider in providing the Service and if required, in determining how best to provide the Service to a Site;
  - 3.1.3. use its reasonable endeavours to provide the Service by the Target Go Live Date and in accordance with the service levels set out in this Agreement but all dates are estimates and except as set out in the service guarantee provisions, Inspira Technology Group has no liability for failure to meet any date;
- 3.2. It is technically impracticable to provide a fault free Service and Inspira Technology Group does not undertake to do so. Inspira Technology Group agrees to repair any faults in accordance with the service standards as set out in this Agreement.
- 3.3. The Service Minimum Period for Leased Line Services shall be as provided for in the relevant Order.

## **4. Description of Leased Line Services**

- 4.1. Leased Line Services are provided as:
  - 4.1.1. Internet Leased Line Services – a dedicated, private, fixed capacity circuit delivered from the Inspira Technology Group Network to the Client Site with Internet connectivity. These Services may share infrastructure with the Inspira Technology Group Network and/or that of other Service Providers. Internet Leased Line Services are delivered as a Fully Managed Service with an Inspira Technology Group supplied router, 24/7 remote monitoring and management by Inspira Technology Group network operations.
  - 4.1.2. Unmanaged Internet Leased Line Services – a dedicated, private, fixed capacity circuit delivered from the Inspira Technology Group Network to the Client Site with Internet connectivity. These Services may share infrastructure with the Inspira Technology Group Network and/or that of other Service Providers. Internet Leased Line Services are delivered to the customers premises, but it is the customers responsibly to supply the termination equipment and to monitor.

- 4.1.3. Point-to-Point Leased Line Services– a dedicated, private, fixed capacity circuit delivered point to point between Client nominated sites. Point-to-Point Leased Line Services do not share infrastructure with the Inspira Technology Group Network and will be delivered as a stand-alone Service which will not be monitored by Inspira Technology Group.

## **5. Orders for Leased Line Services**

Orders for Leased Line Services shall be completed according to process set out in this clause.

- 5.1. Quotations can be generated online via the Customer control panel.
- 5.2. All quotations made by Inspira Technology Group shall be deemed to be made subject to the terms and conditions of this Agreement and survey.
- 5.3. If excess construction charges (ECC) are applicable in order to provide the Services Inspira Technology Group shall notify the Client in writing of the charges and the reasons for them. The Client shall indicate acceptance of the excess construction charges in writing. 50% of ECC charges will be required to be paid prior to Inspira Technology Group confirming acceptance to the carrier.
- 5.4. If no ECC charges are identified the order will proceed and the ability to cancel free of charge is no longer available.
- 5.5. The provision of an online Order via the Customer Control Panel by the Client shall constitute an offer to acquire the Services specified in the Technical Requirements Document subject to (i) confirmation that the Services can be provided and (ii) where excess construction charges are applicable, acceptance of those charges in terms of clause 3.
- 5.6. No Order shall be binding on Inspira Technology Group until that Order has been accepted by the Inspira Technology Group Provisioning Team by notice to the Client.
- 5.7. Upon acceptance by Inspira Technology Group the Services shall be provided under the terms of this Agreement.
- 5.8. A request for the upgrade or downgrade of an existing Service shall not be considered a request for services in terms of this clause 5 but on acceptance by Inspira Technology Group will be deemed an amendment of the existing Order under which those Services are provided.

## **6. Support Services**

- 6.1. Help Desk Support

During the hours of Service specified in Clause 6.2, Inspira Technology Group will provide a client service and administration telephone help desk facility ("Help Desk") for the benefit of the Client. Inspira Technology Group shall accept calls for English language telephone support in connection with Orders and Faults during the hours of Service specified in Clause 6.2.
- 6.2. Hours of Service
  - 6.2.1. The Help Desk is available to receive calls for reporting on all Faults via telephone 24 hours a day 7 days a week, including Bank and Public Holidays. Out of hours phone numbers will be provided. During business hours all calls and faults must be reported via the normal support phone number stated on our website. Prior to raising a fault it is expected the customer has followed our standard procedures and have collected the appropriate information before contacting the support desk.

- 6.2.2. The support team will aim to deliver proactive updates via email and / or phone, which ever is deemed to be most suitable.

### 6.3. Scheduled and Emergency Maintenance

- 6.3.1. From time to time Inspira Technology Group may interrupt the Service to maintain, update or enhance software Equipment or other aspects of the Service and/or the Inspira Technology Group Network ("Maintenance Events"). Inspira Technology Group will, where possible, give the Client a minimum of 2 Business Days advance notice of such events, and where possible will schedule Maintenance Events so as to cause minimum interruption of the Service. For the avoidance of doubt, it may not be possible to give such notice where interruption to the Service is necessary to deal with Incidents occurring in connection with the Service.
- 6.3.2. From time to time Inspira Technology Group may interrupt the Service to carry out emergency maintenance to the Inspira Technology Group Network in order to maintain appropriate levels of service quality and to provide where possible minimum impact to the Service.
- 6.3.3. The Client shall give all reasonable assistance to Inspira Technology Group to enable Maintenance Events to commence on the planned date and for them to be completed efficiently.
- 6.3.4. Any Maintenance Events which occur during Normal Business Hours, and which were not requested by the Client, shall be considered downtime for the purpose of service availability measurement set out in clause 8.

## 7. Service Management

### 7.1. Incident Reporting

- 7.1.1. Inspira Technology Group shall supply monitoring and management of Internet Leased Line Services 24 hours a day 7 days a week together with pre-emptive Incident reporting to the Client whenever reasonably possible. In the event that any Incident is experience by the Client that it has not been identified by Inspira Technology Group, the Client must submit an Incident Report to our support teams by telephone or via email.
- 7.1.2. For Point to Point Leased Line and Unmanaged Leased Line Services clause 7.1.1 does not apply and the Client will be responsible for the submission of Incident Reports to Inspira Technology Group.
- 7.1.3. All Incident Reports submitted by the Client must provide a complete description of the Incident and any information reasonably requested by Inspira Technology Group.
- 7.1.4. The support team will require the Client to conduct first line diagnostics with any of its Users where appropriate.
- 7.1.5. If the Client reports any Incident via an email outside of Normal Business Hours, the Client must place a follow up call to the out of hours number in order to notify the Inspira Technology Group engineer of the nature of the Incident.

### 7.2. Incident Response Timescales

- 7.2.1. Inspira Technology Group shall use best endeavours to assign an Incident to an appropriate Inspira Technology Group engineer within 30 minutes of the generation or

receipt of a fault for no less than 95% of Incidents properly submitted to Inspira Technology Group by the Client in accordance with Clause 7.1.

7.2.2. Inspira Technology Group shall use best endeavours to make an update on an Incident available to the Client via email within the response times specified in Clause 7.4.1.

### 7.3. Incident Resolution Targets

Inspira Technology Group shall use reasonable endeavours to clear Incidents within the time scales specified within the Incident classification matrix set out in Clause 7.4.1

### 7.4. Incident Classification Matrix

7.4.1. The Incident classification matrix set out below outlines the description, resolution and scheduled updates frequencies for the associated Incident priorities.

| Priority | Description   | Target Resolution   | Inspira Technology Group Response Time |
|----------|---|---|--|
| High     | Total loss of Service resulting from a single event.<br>User has total loss of Service / product or degraded beyond usable limits.<br>Degraded Service. E.g. Errors, packet loss to router interface, Inability to transmit/receive where Business operations are severely impacted.  | 4 hours (Fibre)<br>5 Hours (GEA)<br>7 Hours (EoFTTC)<br>7 Hours (EFM) | 1 hour followed by updates each hour   |
| Medium   | Partial loss of Service or degradation of Service, resulting from one event.<br>Partial loss where Service is intermittent or slow throughput.<br>Dribbling errors; packet loss less than 25%; slow throughput;   | 24 hours  | 6 hours                                |
| Low      | Service Enhancement* that requires a change to the existing Service and/or Inspira Technology Group Network components that will facilitate Service.<br>(*Service Enhancements exclude speed upgrades which are considered on a case-by-case basis and the Inspira Technology Group shall endeavour to resolve within 5 Business Days)<br>Service requests or changes etc | 3 Business Days   | -                                      |

7.4.2. The Client understands and accepts that it may be necessary to extend the timescales in the Incident classification matrix above due to the complexity of the Incident or where Inspira Technology Group is dependent on a third party for resolution of the Incident. In such circumstances, Inspira Technology Group shall use reasonable

endeavours to eliminate or reduce the impact of the Incident on the Service by provision of a workaround, with permanent correction to follow.

#### 7.5. Clearance of Incidents

Inspira Technology Group will clear an Incident reported to Inspira Technology Group by the Client in accordance with this Agreement and an Incident Report will be considered to have been cleared where either:

- 7.5.1. it is corrected by Inspira Technology Group (including the provision of a temporary fix); or
- 7.5.2. Inspira Technology Group has investigated the Incident and Inspira Technology Group's initial fault diagnostic testing indicates that the Incident is not found and/or is not the fault of Inspira Technology Group; and this has been confirmed by Inspira Technology Group to the Client.

#### 7.6. Escalation Process

Inspira Technology Group will provide an escalation process where an Incident is understood as a clear request for the support of a higher technical or management level in order to clear the Incident. If the Incident is considered to be not progressing in a satisfactory manner or if it is foreseen that the targeted time to repair will not be met, either Party may escalate the Incident.

### **8. Service Availability and Credits**

#### 8.1. Overall Service Availability

- 8.1.1. Inspira Technology Group aims to provide the Service with a target of 100% availability at all times, subject to the terms of this Agreement.
- 8.1.2. If there is an Outage, based on Inspira Technology Group's data, Inspira Technology Group will apply a reduction to the Customer's rental charge for the Service as follows, provided the Customer reports the Outage and claims for a reduction to the rental charge in accordance with 8.1:

a) where the Outage Period is greater than the limits set in 7.4.1, Inspira Technology Group will apply a credit equivalent to one (1) day's rental charge per hour of downtime for that Service in excess of the target resolution. For the purpose of calculating the Outage Period, a fraction of one (1) hour will be rounded-up to the nearest hour;

b) where the Customer has taken a Inspira Technology Group Resilient option and experiences an Outage, Inspira Technology Group, in accordance with this paragraph, will apply a reduction to the rental charges of both the primary and secondary links.

- 8.1.3. For the purposes of this clause 8.1, overall service availability excludes:

- a) scheduled Maintenance Events as described in clause 6.3;
- b) Client-caused or third party-caused outages or disruptions (except to the extent

that such outages or disruptions are caused by those duly authorised third parties sub-contracted by Inspira Technology Group to provide the Service); or  
c) outages or disruptions attributable in whole or in part to force majeure events;

8.2. Limit on compensation

- 8.2.1. Any Service Credits due to the Client shall be the Client's sole and exclusive remedy with respect to such failures and shall be in lieu of any other remedy which the Client may have at law.
- 8.2.2. The maximum compensation for Unavailable Time the Client can receive in any month is an amount equal to 100% of the Rental due in respect of that Service for the month in which the failure(s) occur and the maximum compensation in aggregate the Client can receive is an amount equal to 25% of the annual rental for the period covered by a 12 months cycle, the first such cycle starting on the Go Live Date.

8.3. How Inspira Technology Group will pay Service Credits

- 8.3.1. Any compensation payable under 7.4.1 above will be credited on the Client's invoice for Rental for the following Billing Period.

8.4. Exclusions from service availability and service credits

The service levels, service guarantees and any Service Credits will not apply if:

- 8.4.1. the failure by Inspira Technology Group is due to the Client's own network or equipment or any other network or equipment outside the Inspira Technology Group Network; or
- 8.4.2. the Client is in breach of any part of this Agreement or Inspira Technology Group suspends the Service or any part of it in accordance with this Agreement; or
- 8.4.3. through no fault of its own or because of circumstances beyond its reasonable control, Inspira Technology Group is unable to carry out any necessary work at, or gain access to the Client's Site and/or an End User's Site or the Client fails to agree an appointment date or work is aborted; or
- 8.4.4. the Client and Inspira Technology Group agree a different timescale for performance of the Service, but will apply to any new Target Go Live Date agreed, provided that the new date is after any previous Target Go Live Date(s); or
- 8.4.5. reasonable assistance is required or information is reasonably requested by Inspira Technology Group or a Service Provider from the Client, End User or a third party and such assistance or information is not provided; or
- 8.4.6. through no fault of its own, Inspira Technology Group is unable to obtain any necessary permissions or consents required in connection with the performance of a particular service level; or
- 8.4.7. the failure is due to a Force Majeure event; or
- 8.4.8. the failure is due to a scheduled Service outage; or
- 8.4.9. the failure is due to an inaccurate Order being submitted by the Client; or
- 8.4.10. the fault is not reported in accordance with clause 8.1 for Point to Point and Unmanaged Leased Line Services.

## 8.5. Network Performance

### 8.5.1. Inspira Technology Group Packet Success Service Level Guarantee

Inspira Technology Group's packet success goal is based on the successful delivery of packets through the Inspira Technology Group IP network. Unsuccessful packets are deemed to be those dropped due to transmission errors or router overload.

a) Inspira Technology Group's packet success Service Level Guarantee ("Guarantee") is successful delivery of packets will meet or exceed 99% between Inspira Technology Group-designated IP backbone paths for Leased Line Services.

b) The measurement consists of 50 100-byte pings sent every 15 minutes. A daily average will be calculated using these 96 samples. The daily measurements will be averaged to calculate a monthly average.

c) Should Inspira Technology Group fail to meet the Guarantee in two consecutive calendar months, the Client is entitled to a one (1) day prorated credit of the Rental for the second month and an additional one (1) day prorated credit for any consecutive month in which the Guarantee is not met. To receive the credit the Client must contact Inspira Technology Group's customer service group within 30 days of the end of the month for which credit is requested. Credits will be paid to the Client in terms of clause 9.4.2.

### 8.5.2. Inspira Technology Group Latency Service Level Guarantee

Inspira Technology Group's Latency Service Level Guarantee ("Guarantee") is based on an average round-trip transmission between Inspira Technology Group-designated backbone POPs for Inspira Technology Group services. Latency shall be measured by Inspira Technology Group averaging sample measurements taken during a calendar month between such backbone POPs.

- Latency of 50ms or less - The measurement consists of 50 100-byte pings sent every 15 minutes. A daily average will be calculated using these 96 samples. The daily measurements will be averaged to calculate a monthly average.

## 9. Charges Mandated By Service Provider

Inspira Technology Group reserves the right to pass on to Clients on a cost-plus basis (adding 10%) any charges levied by the Service Provider to which it is exposed as a result of the Client and/or its Users' actions.

## 10. Equipment

10.1. All Services Equipment remains the property of Inspira Technology Group at all times.

10.2. The Client agrees to:

- 10.2.1. prepare the Site and provide a suitable place, conditions, connection points and electricity for Inspira Technology Group or carrier Equipment at the Site in accordance with Inspira Technology Group's reasonable instructions, if any; and
- 10.2.2. obtain all necessary consents, including for example, consents for any necessary alterations to buildings, permission to cross other people's land or permission to put Inspira Technology Group/carrier Equipment on their property.
- 10.2.3. The Client is responsible for Inspira Technology Group equipment and agrees to take reasonable steps to ensure that nobody (other than someone authorised by Inspira Technology Group) adds to, modifies or in any way interferes with it. The Client will be liable to Inspira Technology Group for any loss of or damage to Inspira Technology Group Equipment, except where such loss or damage is due to fair wear and tear or is caused by Inspira Technology Group, or anyone acting on Inspira Technology Group's behalf.

## **11. Connection of Equipment**

11.1. Any equipment connected to the Service must be:

- 11.1.1. technically compatible with the Service and not harm the Inspira Technology Group Network, the Service or Inspira Technology Group Equipment or another party's network or equipment;
- 11.1.2. connected and used in line with any relevant instructions or laws; and
- 11.1.3. connected and used in line with any relevant standards including, in the order of precedence set out below:
  - (i) Any legal requirements imposed upon the parties including requirements arising from General Condition 2 set under section 45 of the Communications Act 2003;
  - (ii) any relevant specification notified by Ofcom in implementation of the recommendations of the Network Interoperability Consultative Committee;
  - (iii) any recommendations by the European Telecommunications Standards Institute; and
  - (iv) any recommendations by the Telecommunications Standards Bureau (formerly the International Telegraph and Telephone Consultative Committee) of the International Telecommunication Union.
- 11.1.4. The Client agrees to connect equipment to the Service only by using the NTE provided by Inspira Technology Group with the Service.
- 11.1.5. Inspira Technology Group will not be liable for failure to meet any service level or other obligations under this Agreement if any equipment is found to be connected otherwise than in accordance with this clause.
- 11.1.6. Inspira Technology Group reserves the right to disconnect any Client equipment if the Client does not fulfil its obligations under this Clause 12 or if in the reasonable opinion of Inspira Technology Group Client Provided Apparatus is liable to cause the death of, or personal injury to any person.

## **12. Access and Site Regulations**

- 12.1. The Client agrees to take reasonable steps to provide access to the Client's Site and to ensure that the End User provides Inspira Technology Group with access to the End User's Site

including for the purpose of installation and use of the Inspira Technology Group Equipment at the Client's Site and/or at the End User's Site.

- 12.2. Inspira Technology Group agrees to observe the Client's and the End User's reasonable Site safety and security requirements.
- 12.3. The Client agrees to provide and agrees to take reasonable steps to ensure that the End User provides a suitable and safe working environment for Inspira Technology Group at the Client's Site and/or the End User's Site. The Client agrees to indemnify Inspira Technology Group against all loss, damages, liabilities, costs and expenses arising or incurred in respect of any actions, claims or legal proceedings which are brought or threatened against Inspira Technology Group if the Client is in breach of this sub-clause. The limitation of liability provisions of this Agreement do not apply to this indemnity.
- 12.4. It is the responsibility of the Client or End User to carry out any making good or decorator's work required but Inspira Technology Group accepts responsibility for any property damage caused by Inspira Technology Group's negligence subject to the limitation of liability provisions of this Agreement.

### **13. Charges**

- 13.1. The Client shall pay to Inspira Technology Group the Installation Charges and Rental and any other charges due under this Agreement. Such charges shall be invoiced monthly in advance. The first Billing Period shall commence on the Go Live Date.
- 13.2. All Charges payable hereunder by the Client shall be payable to Inspira Technology Group in British Pounds Sterling in immediately available funds within agreed credit terms after the date of Inspira Technology Group's invoice.
- 13.3. Where any Go Live Date is delayed at the Client's request or by virtue of the Client's act, neglect or failure to fulfil its obligations hereunder, the Rental for the first Billing Period and Installation Charges for that Service shall be payable no later than the Target Go Live Date for that Service unless otherwise agreed in writing between the Parties.
- 13.4. Inspira Technology Group shall be entitled to increase Rental and other charges payable by the Client after expiry of the Minimum Period from time to time by giving the Client not less than four (4) weeks' prior written notice.
- 13.5. The Charges are exclusive of all applicable taxes, including Value Added Tax, sales taxes and duties or levies imposed by any authority, government department, all of which, if any, shall be assumed and paid promptly when due by the Client.
- 13.6. Without prejudice to Inspira Technology Group's right to treat non-payment or late payment as a repudiatory breach of this Agreement, in the event of non-payment of any invoice which is not the subject of a bona fide dispute Inspira Technology Group reserves the right to charge daily interest on any outstanding amounts until payment is received in full at the rate set out in the Late Payment of Commercial Debts (Interest) Act 1998 as current from time to time whether before or after judgment until the date actual payment is received together with all external costs reasonably and necessarily incurred by Inspira Technology Group in securing such payment and/or obtaining such judgment, as the case may be.
- 13.7. All sums due to Inspira Technology Group under this Agreement shall be payable by the Client in full (without any set-off, deductions or withholding whatsoever) by Bank Transfer, Direct Debit or Credit / Debit Card.
- 13.8. Inspira Technology Group reserves the right at any time to require the Client to issue a deposit, irrevocable letter of credit or other form of security acceptable to Inspira Technology Group if the Client's financial circumstances or payment history is or becomes unacceptable to

Inspira Technology Group.

  - 14.2.8. obtain access, through whatever means, to notified restricted areas of Inspira Technology Group Network.
- 14.3. If the Client becomes aware that any User or Additional User is using the Inspira Technology Group Network to perform any of the activities listed in Clause 4.3 it shall enforce the applicable terms in its agreement with its User(s) and shall use all best endeavours to stop such User from doing so. In the event that Inspira Technology Group becomes aware that a User or any Additional User is performing any of the activities listed in Clause 4.3, Inspira Technology Group shall bring the breach to the attention of the Client in writing. If Inspira Technology Group have not received, within one (1) Business Day of dispatch of such a message, a satisfactory response from the Client detailing the actions that have been taken to stop a User or Additional User performing in this way, which actions may include restricting the access of the User or Additional User to the Inspira Technology Group Network or disconnecting the User or Additional User from the Inspira Technology Group Network, then Inspira Technology Group shall have the right to restrict the access of and/or disconnect the User(s) or Additional User(s) in question, and if necessary the entire Service, from the Inspira Technology Group Network. If Inspira Technology Group exercises its rights to disconnect a User or Additional it will notify the Client as soon as reasonably practicable in the circumstances.
- 14.4. Each Party shall provide the other with all reasonably necessary co-operation, information and support to prevent and/or stop any misuse of Inspira Technology Group Network by Users.

#### **15. Limitation of Liability**

- 15.1. Nothing in this Agreement shall exclude or restrict either Party's liability for fraud, death or personal injury resulting from that Party's negligence.
- 15.2. Neither Party shall be liable to the other under or in connection with this Agreement, whether in contract, tort (including negligence), misrepresentation (other than where made fraudulently), breach of statutory duty or otherwise for:
- 15.2.1. any loss of business, contracts, profits, anticipated savings, goodwill, or revenue;
- 15.2.2. any loss or corruption of data; and/or
- 15.2.3. for any indirect or consequential loss whatsoever incurred by either Party, whether or not the Party relying on this Clause 17.2 was advised in advance of the possibility of any such loss.
- 15.3. Except in relation to Clauses 15.3 and 15.4 and the indemnity in Clause 16.2, the total aggregate liability of either Party to the other under or in connection with this Agreement shall not exceed the lesser of one hundred thousand pounds (£100,000) or the Charges due to Inspira Technology Group in the previous 12 month period for any one event or series of events.
- 15.4. In relation to Clause 15.3 and 15.4 only, the total aggregate liability of the Client to Inspira Technology Group shall not exceed two hundred thousand pounds (£200,000) for any one event or series of events.
- 15.5. The Client shall be liable to Inspira Technology Group for all liabilities, claims and costs arising directly from the acts and omissions of any third parties (including Users) using the Service through the Client, relating to the Client's use of the Services except where such liabilities, claims and costs arise from Inspira Technology Group's negligence or breach of this Agreement.
- 15.6. The Client agrees to indemnify defend and hold harmless Inspira Technology Group against all liabilities claims, liabilities, losses and costs (including reasonable and properly incurred legal costs) arising directly in connection with the Client's use of the Service by the Client's Users or any third party using the Service through the Client except where such claims arise from Inspira Technology Group's negligence or breach of this Agreement.

## **16. Termination**

- 16.1. This Agreement may be terminated without penalty:
- 16.1.1. by Inspira Technology Group providing sixty (60) days notice in writing provided that such notice shall not expire before the end of the Minimum Period; or
- 16.1.2. by the Client providing sixty (60) days notice in writing no later than (60) days prior to the expiry of the Minimum Period or any subsequent renewal.
- 16.2. Notwithstanding the termination of this Agreement the terms of this Agreement shall remain in force in respect of any Order until the expiry of the Minimum Period for the provision of Services in that Order. For the avoidance of doubt, the termination of this Agreement shall not be effective until the Minimum Period for any existing Order has expired.
- 16.3. Notwithstanding any other rights under this Agreement, either Party may terminate this Agreement immediately in the event that:

- 16.3.1. the other Party holds any meeting with or proposes to enter into or has proposed to it any arrangement or composition with its creditors (including any voluntary arrangement as described in the Insolvency Act 1986); has a receiver, administrator, or other encumbrancer take possession of or appointed over or has any distress, execution or other process levied or enforced (and not discharged within 7 days) upon the whole or substantially all of its assets; ceases or threatens to cease to carry on business or becomes unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986; or
  - 16.3.2. if either Party commits a material breach or other persistent breach of this Agreement which in the case of a breach capable of being remedied, is not remedied within thirty (30) days of a written request by the other Party to remedy the same.
- 16.4. Inspira Technology Group may immediately terminate or suspend all or any part of this Agreement or the Services if:
- 16.4.1. Ofcom or PhonepayPlus determine, or Inspira Technology Group reasonably considers, that use of the Services by the Client or any User or Additional User (i) does not constitute Appropriate Use (ii) is in breach or may be in breach of the Code or any other relevant statutory or regulatory act, regulation, code or similar (iii) is fraudulent or illegal or may be fraudulent or illegal; or
  - 16.4.2. if Ofcom or any other authority of competent jurisdiction revokes the supplier's authorisation as Public Electronic Communications Network under the Act and as a result Inspira Technology Group can no longer legally comply with its material obligations under this Agreement and the Service Agreements.

## **17. Consequences of Termination**

- 17.1. In the event of a customer terminating their service prior to the contractual period purchased, the customer agrees to pay any remaining rental charges from the date of cancellation to the date the contractual period finishes. Inspira Technology Group reserve the right to levy a charge on the remaining period. For example, should three months remain on the contractual period and the service ceases prior to this final date, Inspira Technology Group reserve the right to levy a single charge of three months collectively.
- 17.2. In the event of you cancelling the order once it has been placed, you agree to pay any charges levied by our carriers to us.
